

Persuasive Letter

Wednesday 27th November

Dear Mrs Kelly,

It is often a debate in schools whether children should wear school uniform or not. I am writing to you to give my reasons as to why we should wear uniform.

In my opinion, school uniform puts children in a more positive mindset for learning. Although casual clothes are more comfortable, children may feel more included with the class if they wear school uniform. Also, as well as getting in the mindset for learning, children will look a lot smarter and visitors will recognise children representing their school.

In addition to children looking a lot smarter in uniform, they will be given a sense of pride which will continue to give them a positive day and a positive week. I also think they will be more included with the class and feel equal. Even though casual clothes allow children to express their personality, uniform will stop children being teased for their individual style.

Also, I believe uniform is easier to wash with dark and white. Buying new casual clothes for every school day adds up to a lot of money whereas a few items of uniform can be bought and worn a lot more.

Thank you for reading my letter and I hope you take my points into consideration. As you can see, I think wearing uniform is much better because it is easier to wash, makes children look smarter and makes children feel equal as part of a community.

Yours sincerely,

Lewis Alister Maccoinneach
