

Playdough Recipe

Ingredients:

1 cup plain flour

2 teaspoons cream tartar

Half a cup of salt

1 tablespoon vegetable oil

1 cup water

Food colouring (liquid works really well!)

1. Mix all the dry ingredients in a big bowl.
2. Mix together your water and food colouring. Then add the oil.
3. Mix the wet and dry ingredients together in a big pot.
4. Cook the playdough over a medium heat and keep stirring!
5. Once it forms a ball, take it off the heat and allow to cool a bit before using.
6. Have fun kneading the warm dough!
