---

Here is Paul. He is a good boy. He let Dean read his book.

---

Dean can see an owl in the book. It was out at night. It had a big beak.

---

The owl saw a chick on the road. He shot down to get it. He might eat it up.

---

There was a fox by the road. He was a very good fox. He took the chick in his mouth.

---

The fox took the chick back to his mum. Dean said, 'This is a good book.'
