## Literacy - Talking and Listening -

### Everybody Worries

Read this book with a grown-up and chat with someone about what worries you. How do you feel about going back to school in August? Excited? Nervous? We can feel lots of feelings at the same time.

<https://www.oxfordowl.co.uk/api/interactives/29765.html>

Something more factual:

Watch Newsround this week and make a note of which stories you find most and least interesting.

[https://www.bbc.co.uk/newsround/news/watch\\_newsround](https://www.bbc.co.uk/newsround/news/watch_newsround)

## Literacy - Writing -

Write a **recipe** for a fruit smoothie. Remember to set your recipe out correctly.

Success Criteria:

1. I can include a title and headings
2. I can list the equipment and ingredients.
3. I can write out instructions in order.

[Watch this bbc video for tips.](#)

Word bank: first, then, next, finally  
take, blend, mix, stir, mash

## Literacy - Spelling -

No spelling pattern this week, but if you are really keen - make a list of 10 different sports or activities to keep you healthy and use these as your spelling words.

## Literacy - Reading - Poem of the Week

### **It's Sports Day Time!**

Fasten your laces,  
Toes behind the line.  
The sun is shining,  
It's Sports Day Time!

It's time to have races,  
It's time to have fun,  
On your marks, get set ...

Jump!  
Skip!  
Run!

It's time for a cold drink,  
It's time for a rest.  
Well done everyone,  
You've all done your best!

Sara Fox

## Number

Log in to Sumdog every day Monday to Thursday to complete a 20 question Sumdog challenge. This week the questions will have a focus on times tables, doubling and halving.

Every day you complete a challenge you will be awarded 200 coins. That means over the week you can collect 4 x 200 coins... that's right 800 coins!

On Friday at 10:00 we will have a P3 wide competition. Choose to play multi-player games and look out for your classmates. Let's see how many of our class we can get online at once!

Remember - your Sumdog points are awarded for **accuracy** so take your time and answer the questions **carefully**!

## Maths - Measure

Use a **tape measure** (or string and a ruler) to find out if these statements are **true** or **false**:

1. The circumference of your head (picture 1) is 3 times the length of your foot.
2. Your arm span (picture 2) is the same as your height.
3. Your height is 10 times the length of your hand (from your longest finger to your wrist).
4. Your height is 5 times the length of your thigh.

1. head circumference

2. arm span

Science -

Since during sports week, we want you getting all hot and sweaty, find out why we sweat? Do all animals sweat?

<https://theconversation.com/curious-kids-what-happens-in-the-body-when-we-sweat-85831>

Not grossed out yet? Operation Ouch leads some experiment into smelly sweat.

<https://www.youtube.com/watch?v=eOKwXPgISxE>

Write a paragraph of about 5 sentences to let us know what you've learned.

Art -

Design a medal or a trophy for sports day but not just for the winners, make up new categories that we could celebrate. (Best outfit? Tried hardest?)

Health and Wellbeing -

It's sports week so how about creating a delicious and healthy fruit smoothie.

What fruit will you choose? What will you mix it with; fruit juice, milk or yoghurt? Will you add anything else to your smoothie e.g. honey? Take a photo of your smoothie then post it on LJ!

**Enjoy** drinking your healthy treat!

R.E. -

Discuss with your grown-ups.

Jesus said that he was the living bread which had come down from heaven and that anyone who eats this bread will live forever.

What do you think this means?

Do you think he was talking about a way to energise?

Music -

Create and record a chant or a cheer to encourage your house group. Even better, If you're feeling whole school spirit - make one for St. Johns! Don't forget to send it to us so we can share it.

Make a playlist of your top 3 favourite songs that get you moving! Listen to them and shake-a shake-a shake-it.

Since we are learning body parts in French, this is a French nursery rhyme. It's a bit of a weird one since it sings about plucking the feathers off a bird, but you'll learn body parts!

ICT

As it's Sports Week this week and we are learning about keeping our bodies safe. It's important that we make sure that we are keeping ourselves safe online too.

Watch this Jessie and friend's cartoon with an adult. The video is about how pictures can get shared online. Images can be shared much more widely than we expect. [Click here.](#)

1. Talk about the questions with your adult.
2. Draw a picture of your favourite character and include your favourite lyric from the song.

Rights Respecting Schools -

Article 2 All children have rights and they should not be discriminated against for their families, gender, religion, race, or disability.

One kind of discrimination is racism. You might have heard a bit about protests both in Britain and in the USA lately. If you want to find out more about what these are about, these videos are a good starting place for discussion with a grown-up.

From Newsround:

Being happy and proud of who we are as people is important for everyone. Try to get all your family and friends to tell you the best things they like about themselves and the best things they like about you.
