

**Hello Cellists!**

**We are almost at the summer holidays and I hope you are all looking forward to a great summer break.**

**I hope you have all enjoyed playing your cello over these unusual weeks and that you will use the pieces you have to keep your practice going over the holidays.**

**I've missed seeing you all at our weekly lessons and I'm really looking forward to getting back to normal cello lessons after the break.**

**Here is one final piece from me which I hope will get you into the spirit of summer!**

**You can find the backing track for this piece by typing this into You Tube :**

**'Celebrate Good Times by 'Kool and the Gang'.**

**Have a great summer everyone and see you all soon!**
