Primary 2 Home Learning

7th November 2022

Literacy

This week we are revising our Set 2 sounds – ay, ee, igh, oo, ou, oy and ow.

Here are some words for spelling and reading:

Play, day, say, see, tree, fee, night, might, sight, loop, book, tool, loud, mouth, shout, boy, toy, enjoy

Tricky words: her, of

Please continue to practise reading with your child at home. Books will be changed on a Monday, if you feel that it would be helpful to keep your child's reading book over the weekend this is not a problem.

Numeracy

In numeracy this week, we are learning about numbers to 100. We are counting on and back in 10s off the decade e.g. 31, 41, 51, 61...

Try counting forwards (or backwards!) off the decade with your child.

Health and Wellbeing

During our next block of P.E, our focus will be gymnastics. We will be looking at holding different balances with our bodies and using equipment such as the beam in the gym hall.

Religious Education

During the month of November we will be thinking about and praying for the Saints and people in our own families who have gone to heaven.

Lyra Theatre Trip

As you will have seen from Friday's email, P2 have been given the chance to visit the Lyra Theatre for a workshop and show on Wednesday morning. The date in the email should read '**Wednesday 9th November**'. We will be getting the bus, so your child will require their Y**oung Scot bus pass** if they have one, otherwise **£1.80** will be required for the bus journey. Children will need a **small snack** and should come dressed in **school uniform** as normal.

Thank you.
