

Please remember to only do what you can do, we understand it may be difficult to support your child with their learning at home during this week, there is no expectation for everyone to do everything.

Home Learning - Wednesday 27th September

Literacy

We have some exciting online classrooms for you to visit and explore. Please copy and paste the links below.

Green: : <https://www.thinglink.com/scene/1384636913184407555>

Blue: <https://www.thinglink.com/scene/1368229396158087170>

Indigo and Violet: <https://www.thinglink.com/scene/141381549793731>

Numeracy - Counting Backwards

Visit our online P2 Numeracy Classroom please copy and to go explore.

<https://www.thinglink.com/scene/1413090760294662146>

Other activities:

- Practice counting forwards and backwards within the range of 30. Try starting and stopping on different numbers.
- Go on a walk to practise counting backwards and forwards with each step you take. Take steps forward as you count forwards and step back when counting backwards.
- Count forward and backwards within 30 along to this video: [Count Forward and back to 30](#)
- Helicopter Number Game: Play this game to practise recognising numbers. Choose your range of numbers <https://www.topmarks.co.uk/learning-to-count/helicopter-rescue>
- Helicopter Number Game Play this game to practise recognising numbers. Choose your range of numbers <https://www.topmarks.co.uk/learning-to-count/helicopter-rescue>

Music - Body percussion/dance

We loved our Lion King topic-keep enjoying its music!

- Join in with this 'I Just Can't Wait to Be King' body percussion. Follow the instructions on the video https://www.youtube.com/watch?v=kqof84_WR1s&t=83s

If you enjoy dancing, try making up your own sequence of dance moves to this song. If you want, you can show the class your dance at school.

Please remember to only do what you can do, we understand it may be difficult to support your child with their learning at home during this week, there is no expectation for everyone to do everything.
