

## Literacy

### Reading

We will not be sending home reading books again until after the holidays.

In the meantime, read some stories at home with an adult. These could be Christmas stories if you have any!

### Christmas Cards

In school this week, we will be writing Christmas cards. To prepare, practise writing the words:

- **Dear**
- **Merry Christmas**
- **Happy New Year**
- **From**
- **Love**

## Numeracy

### Counting

At home, practice counting forwards and backwards to/from 30, 50, and 100 to stretch.

To practise counting amounts, you could count different Christmas items you see. For example, count:

- The Christmas tree baubles on your tree.
- The Christmas trees in peoples' windows.
- Christmas cards in your home.
- Stockings.
- Christmas jumpers.

## Other Areas of Learning

### Signs of Winter Walk

It's starting to feel colder! And it is beginning to feel and look very different outside.

Go on a walk and see if you can spot/feel the different signs of Winter.

For example:

- Frost
- Ice
- Bare trees
- People wearing cozy coats
- **And many more!**
