# Primary 5 Learning

# w/c 4th December 2023

## Literacy

Most of our literacy this week will be continuing our reading group tasks and listening and talking in the form of rehearsals for our performance next week of The Magical Christmas Jigsaw. Our scene is coming together well and we can't wait to show you what we've been working on.

Our spelling pattern this week is words that use a 'ch' that sounds like 'c'. For example: school, chemistry, echo. How many can you think of at home?

## Numeracy

We are consolidating our learning from this term with some Christmas themed problem solving. Some of it will be individual, but there will also be some group challenges throughout the week too.

As a way to warm up our brains, P5A have been loving completing the daily 'All Ten' challenge (https://beastacademy.com/all-ten). How about giving it a go at home?

## Religious and Moral Education

Our focus is still on Advent and the story of Jesus' birthl. Over the next few weeks, we will be discussing the nativity story through our preparations for our Christmas performance on 20th December.

## Learning Across the Curriculum

We are very excited for our Christmas party on Thursday 14, so make sure your child is in their party outfit for school on Thursday. We will be relaxing afterwards with a Christmas film so feel free to send in a comfy outfit to change into after the party.

Throughout this week there will be lots of other Christmas fun, including art and a science experiment.
