

School Improvement Plan

2024/25

PRIORITY 1: LEARNING & TEACHING

We will:

- Embed CEC numeracy progression pathways
- Improve our writing attainment at all stages
- Encourage pupils to write every day
- Use tracking data to look for gaps and plan interventions
- Engage with the Sean Connery Dyslexia programme
- Teaching Staff will work collaboratively to moderate children's work
- Pupil Voice will be welcomed through leadership groups.

PRIORITY 2: DIGITAL LEARNING

We will:

- Enhance teacher knowledge of Apps to support learning
- Gather evidence for Digital Schools Award
- Embed the use of digital technologies across the school
- Use One Drive/Note to store and share pupil work

PRIORITY 3: LEARNING FOR SUSTAINABILITY

We will:

- Enhance our outdoor learning provision across the school
- Work towards achieving the silver RRSA
- Increase the profile of UNCRC across the school
- Have greater opportunities for the teaching & learning related to sustainability and Global Goals.
