

P7 Newsletter

Teacher's Note

Welcome to our P7 learning community. It was lovely meeting many parents at 'meet the teacher'. We aim to keep you updated by sending newsletters on what we are learning and important dates.

What We're Learning

- **Math:** We have just finished place value and moving on to addition and subtraction using a range of strategies.
- **Reading:** Commences 9th September.
- **Literacy:** We continue to focus on the skills of writing a recount and diary entry.

Reminders

- Reading is on Tuesdays and Thursdays.
- Homework is issued on Friday and to be returned the following Thursday.

Upcoming Events

- Bank Holiday **15 Sep 25**
- New Beginnings mass led by P7 at Mary Magdeline 10 - 11am **26 Sep 25**

**Thank you for
your
continued
support!

Trees

Our main topic so far has been about trees.

We are learning about how trees help us and our environment thrive.

We had a trip to Figgate Park.

We all gathered three leaves and researched which tree are they from and how they help us survive.

Our class also made tree posters which are on our display outside our classroom.

The posters each have a few facts about how trees help us and nature to grow.
