Primary 4 Home Learning – Week Beginning 29.09.25

Literacy

Literacy

Writing

We have been working on uplevelling sentences using connective, adjectives and more interesting vocabulary. At home, try to uplevel the following sentences, or even try to write your own!

We walked along the path.

She had a dog.

They are swimming in the sea.

The cup is full.

Reading

Read the given pages of your home learning reading book and sign the reading record.

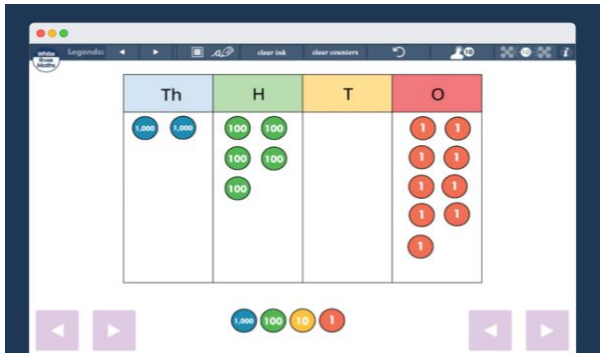

Please also read a book of your choice for 15 minutes every day.

Numeracy

Place Value

This week, we are finishing off our focus on place value. Please practise creating numbers and adding/subtracting 1, 10 or 100 from them using this tool.

There is also a Sumdog challenge set.

Topic/Other

Science – Water Cycle

We are coming to the end of our water cycle topic and we've enjoyed learning about the journey our water takes as it moves through the cycle.

Why not create a diagram at home to teach someone in your family about the water cycle? Or you could even try to recreate the water cycle in a bag experiment that we did in class!
