Addition – Doubles and Halves This week, we have been learning more about doubling and halving, and how this knowledge can help us to add. At home, play this game and select the double and halves options to practise. Change the range of numbers to suit your child's confidence with doubles and halves. https://www.topmarks.co.uk/maths-games/hit-the-button	In RE, we have been talking about giving thanks to God. We learned about the story of The Thankful Leper, and how this story teaches us the importance of giving thanks for what God has given us. At home, talk to your child about what they are thankful for. You could also discuss the importance of saying 'thank you' to people in your life.
