

# P4 Newsletter

## Teacher's Note

Primary 4 have been working hard to learn all about living things and classifying living animals. We are looking forward to seeing Our Blue Planet presentations next week.

## What We're Learning

- **Numeracy:** We are learning to multiply and divide using the 2, 3, 4, 5, 8 and 10 times tables.
- **Literacy:** We are learning to write effective sentences for a season poem.
- **RE:** We have been enjoying our communion preparation lessons. This week we were learning about the Passover.

## Reminders

- Reading diaries should be getting signed once a week.
- PE days for P4A are Monday and Tuesday, and for P4B are Tuesday and Thursday. Please pack a change of clothes.

## Upcoming Events

- 25<sup>th</sup> March - Parent consultations
- 27<sup>th</sup> March - Parent consultations
- 29<sup>th</sup> March - Palm Sunday Mass
- 26<sup>th</sup> April - DTIM Mass
- 27<sup>th</sup> of April - Parent Reflection Meeting (Communion)

## Living Things

We have been learning about lots of different living things and what things need oxygen to survive. If they don't need oxygen and don't eat they are classified as a non-living thing. Amphibians can live in water and land like frogs. Some animals lay eggs including fish. Mammals are warm blooded and have fur. Our favourite mammals are elephants, tigers and dolphins!
