This week, use kitchen scales to weigh household items. Before you weigh them, can you estimate their weight and compare items? Once you have done this, create a small collection of items and sort them from lightest to heaviest.</p>  <p>As always, there is also a Sumdog challenge set.</p> 	<p style="text-align: center;"><u>Earth Day</u></p>  <p>It was Earth Day this week, and we marked the occasion with a trip to Figgate park to do some art inspired by Andy Goldsworthy.</p> <p>We also discussed ways to look after our beautiful planet. At home, try to think of something you can do to help the environment. Maybe some litter picking, or reuse something that you were going to throw away, or even just making sure you switch off lights and electronics that you aren't using!</p>
