Word List	was	want	wasp	squash	quarrel	quality	Place Value  Here is a game to try at home with playing cards: 1. Each player turns over their cards and arranges them to make the largest possible number. (For example, if you draw a 7, a 2, and a 5, you want to put the 7 in the hundreds place to make 752). 2. Read It Aloud: Each player reads their final number out loud (e.g., "Seven hundred fifty-two"). 3. Compare: Compare the two numbers. The player with the highest number wins the round and collects all the cards. 4. Win the Game: Play until you run out of cards. The player who collected the most cards wins!
