Primary 7 Home Learning – Week Beginning 23.11.26

Literacy

Literacy

We continue our work on suffixes this week, please practise the following spelling words.

admitting
forgotten
committed
beginner
referring
regretted
forbidden
preferred

Please read 15 minutes daily of your reading book.

Numeracy

Measurement

This week, we are practising converting between different units of measurement. Have a go at this worksheet, and mark it using the answers.

Remember:
10mm = 1cm
100cm = 1m
1000m = 1km

Topic/Other

The Art of Listening

As P7A head on their Edinburgh International Festival trip to The Art of Listening, we are thinking about how classical music can set a scene or create a mood.

Pick a piece of classical music and make a list of the instruments you can hear. Then, draw a picture while you listen. Think about colours, scenes and mood, and how the music makes you feel that way.

If you aren't sure what to listen to, here are some to try:
Spring – Vivaldi
Clair de Lune - Debussy
In the Hall of the Mountain King – Grieg
Moonlight Sonata – Beethoven
Dance of the Sugar Plum Fairy – Tchaikovsky
William Tell Overture – Rossini
Jupiter – Holst
The Blue Danube – Strauss
1812 Overture - Tchaikovsky
